**Board of County Commissioners  
Okaloosa County, Florida**

I submit the attached budget proposal for the operation of the Okaloosa County Sheriff's Office for fiscal year 2016 beginning October 1, 2015 and ending September 30, 2016.

This year's proposed budget of \$35,075,884 represents an increase of \$3,476,993 or 11% over the current year approved budget. This budget increase is necessary due to the critical need of manpower allocations in all county wide districts, the total of which represents 24 sworn officers and three civilian audio/video and computer technicians. Twelve of the sworn officer positions are needed to add one deputy for full time (24/7) coverage for the north, central, and east districts which equates to four additional deputies' assigned to each district. The other twelve sworn positions are needed to reconstitute the street crimes and traffic units which were lost during the FY 2012 budget and force reductions. Both the Street Crimes and Traffic units represent five deputies and one sergeant each. These positions are needed to provide call volume and overtime relief and back up support to assigned patrol deputies. Expenditure increases of: \$1,700,000 in personnel, \$950,000 in operating expenses, and \$800,000 in capital outlay are primarily the result of adding 24 sworn deputies and three civilian employees. The need to provide equipped vehicles, computers, body cameras, weapons, uniforms and other equipment to these personnel will increase both the operating and capital outlay budgets proposed here. We still need to replace many unserviceable patrol vehicles and in car computers (MCT's), which continue to deteriorate our fleet and technological capabilities at an unacceptable rate.

There is no COLA or pay raise included in this budget as our personnel have overwhelmingly rejected that consideration in favor of seeking more manpower allocations to help ease the often overwhelming increase in calls for service and violence which have been experienced over the past 5 years. Again we are faced with a state mandated FRS increase of nearly \$300,000 and are still in need of both Beach and Marine Patrol units in our Destin and Okaloosa Island zones.

This budget provides funding to ensure that statutory requirements are met, vehicles are replaced and positions are filled for the continued provision of basic law enforcement services to the citizens and visitors of Okaloosa County and for meeting the additional demands for service created by an increasing residential and tourist population. These proposed expenditures are reasonable and necessary for the efficient operation of the Office of Sheriff for the ensuing year.
