---

Thirty-one (31) day passes are valid for thirty-one (31) consecutive days (i.e. Monday - Sunday. Holidays and weekends are considered as consecutive days, although bus service may not be provided). The first day of the pass begins when the passenger first uses the pass and is valid for the next thirty-one (31) consecutive days.

Passes can be purchased at the OCT office or on board the buses from the driver.

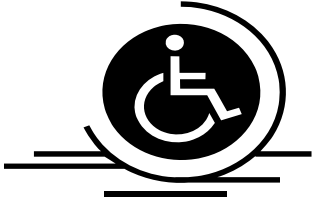

No refunds will be given for 31-day passes. OCT is not responsible for lost, stolen or damaged passes.

\*Disabled citizens are eligible for a Reduced Fare with valid Okaloosa County Transit Reduced Fare ID card. In order to be eligible to ride the bus at the Reduced Fare an application must be completed and approved. Reduced Fare Applications may be obtained at OCT offices in Fort Walton Beach (600 Transit Way) or Crestview (198 S Wilson Street) or calling 850-833-9173, also available onboard all WAVE transit vehicles or by downloading at [www.rideoct.org](http://www.rideoct.org). Mail, drop off, or fax the form to 850-833-9286. MEDICARE (not Medicaid) cards will still be accepted as proof of eligibility for Reduced Fare. Reduced Fare rides will not be offered without a valid OCT Reduced Fare ID Card or Medicare card.

Electronic fare boxes and bus operators accept cash only and do not make change. If change is owed after payment of bus fare, the fare box will issue a change card, not cash. Change cards are redeemable for bus fare only, not cash. Change cards will not be issued for less than 10¢.

Students and/or children with a height equal to or shorter than the top of the farebox (36") ride free with a paying adult.

## WHEELCHAIR ACCESSIBLE

All vehicles are equipped with wheelchair lifts.

**ADA:** The WAVE and WAVE EXPRESS complies with all requirements detailed in the Americans with Disabilities ACT (ADA).

## DEVIATED FIXED ROUTE

The WAVE and WAVE Express provides deviated fixed route service.

Please call one hour prior to your trip to request a deviation. There may be times due to route deviations when buses run a little later than scheduled.

## ANNOUNCE STOPS

Please inform the driver when you board the vehicle if you are visually impaired or need assistance identifying your stop. It is helpful to sit toward the front of the bus if you need assistance.

## BICYCLES RIDE FREE

1. Bicycle racks are available on a first come, first served basis. All buses are equipped with a bicycle rack located at the front of the bus. Each bicycle rack carries two bicycles.
1. Children 12 and younger must be accompanied by an adult to load and unload a bicycle.
2. For safety reasons, the bus operator cannot off the bus to assist loading and unloading of bicycles. All customers using the bicycle rack must be able to load and unload their bicycle without assistance. The simple three step process for loading is printed on the bicycle rack.
4. OCT is not responsible for loss or damages to bicycles.
5. Notify the driver that you are going to remove your bicycle when you arrive at your stop.
6. OCT does not permit bicycles **inside buses** for safety reasons.

## CHILDREN

Children under the age of 12 must be accompanied by an adult (18 years old).

**\*See Individual Schedules For Times\***

The WAVE and WAVE EXPRESS provides deviated fixed route service.

Please call one hour prior to your trip to request a deviation. There may be times due to route deviations when buses run a little later than scheduled.

**We invite you to ride with us. In an effort to make everyone's trip safe and pleasant, please observe the following policies:**

- For your safety, buses stop only at designated bus stops.
- No smoking 
- Alcoholic beverages may not be consumed.
- No open containers of food or drink.
- No pets are allowed, except for service animals. 
- Please do not litter on the bus or at bus stops.
- Shoes and shirts are required.
- No profanity or loud talking. 
- Music should be heard only through earphones.
- No weapons of any kind including, but not limited to:

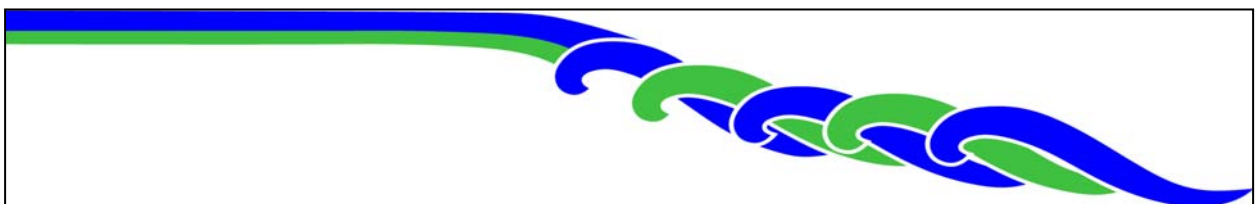

Firearms, knives of any length, composition or description. Cutting instruments, including carpet knives and box cutters (and spare blades), any device with a folding or retractable blade, ice picks, straight razors.

- For your safety, WAVE buses are equipped with audio and video recording equipment. WAVE passengers are subject to having their voice and image recorded.
- Riding the WAVE is a privilege, please do not abuse it by behaving in a way that offends other customers or affects the safe operation of the bus.

**Title VI of the Civil Rights Act of 1964** and supplemental legislation prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (42 U.S.C. Section 2000d).

Okaloosa County Transit is committed to ensuring that no person is excluded from participation in, or denied the benefits of its transit services on the basis of race, color, or national origin, as protected by Title VI in Federal Transit Administration (FTA) Circular 4702.1.A. **If you feel you are being denied participation in or being denied benefits of the transit services provided by OCT, or otherwise being discriminated against because of your race, color, or national origin, you may contact our office at 850-833-9173.**

## Planning Your Trip

When planning your trip, look at your stop location and times. Also look at your destination and decide which bus will get you there the quickest. After you have planned your trip, go to the nearest bus stop. Look for your bus. Board the bus, pay your fare and relax in temperature controlled comfort.

### TRANSFERS

You may need to take more than one bus to reach your destination. Transfers are valid for one trip on the next connecting bus and are free of charge. Transfers *must* be used on the *next* connecting bus and will expire two (2) hours after being issued.

Transfers are accepted on Routes 1, 2, 3, 4, 5, 20, 30, 32 & 33.

Transfers will be issued, but not accepted on WAVE Express, Route 14.

**Please do not purchase a transfer if it will not be redeemed within (2) hours. Transfers cannot be used as a return trip for the same route.**

**\*TRANSFERS ARE ISSUED, BUT NOT ACCEPTED ON WAVE EXPRESS ROUTE 14\***

**31-Day Express Super Pass Fare** \$45,  
Senior (65+) / Disabled \$22.50  
College, High School & Middle School Students \$26 (Student ID Required)

The *Express Super Pass* valid on ALL WAVE Routes

### WAVE EXPRESS Upcharge

For an additional \$.50 per ride you can now use your WAVE 31-day Regular Pass (\$30.00) or WAVE 31-day Reduced Pass (\$15.00) to ride the WAVE Express (Route 14). When you board the bus for Route 14, swipe your pass, and the fare box will prompt you to add the \$.50 needed for the fare.

This change will afford our regular/reduced fare pass holders the ability to ride the Express without having to pay the full \$2.00 fare and the capability of using their WAVE regular pass. Please note, the WAVE EXPRESS upcharge is applicable to 31-day passes only, not transfer tickets.

Times are subject to change. Check with your driver or the Okaloosa County Transit office, Fort Walton Beach (850)833-9168/Crestview (850)689-7809. Valid OCT Reduced Fare ID Card Required for Reduced Fare. MEDICARE (not Medicaid) cards will still be accepted as the proof of eligibility for Reduced Fare.

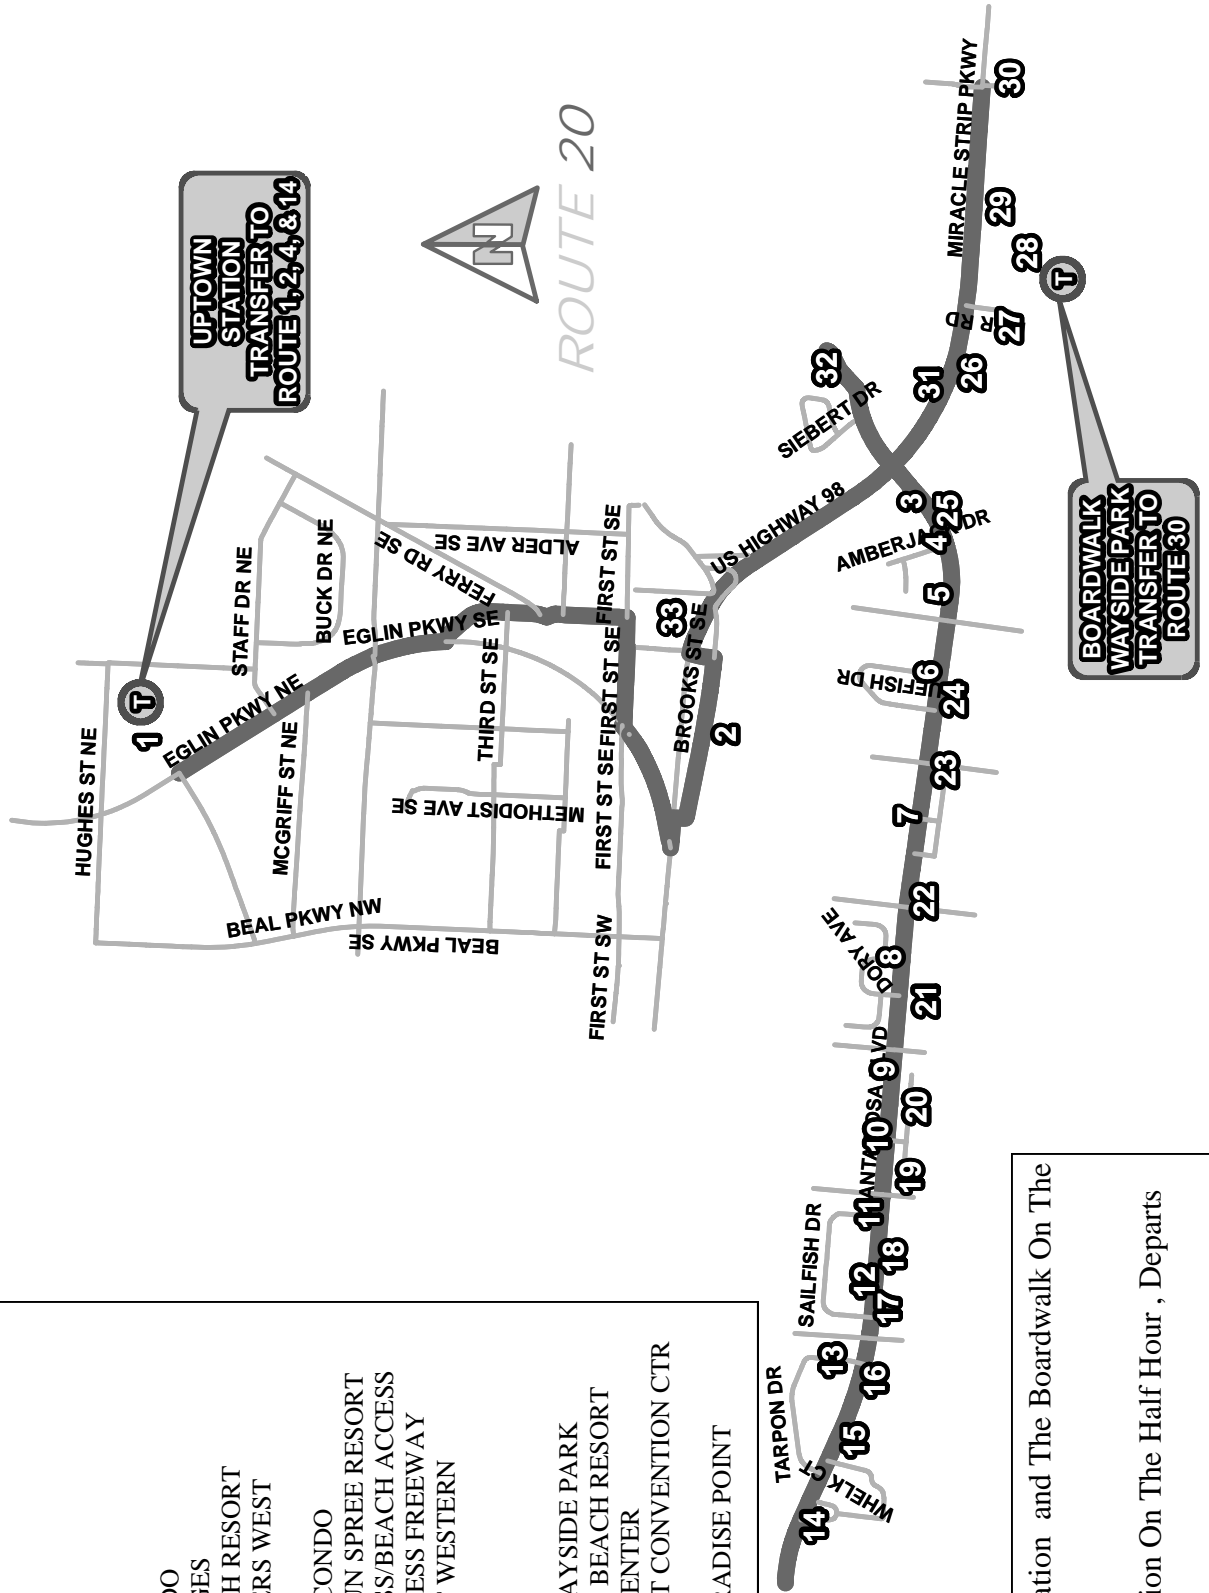

**TRANSFERS ARE ISSUED, BUT NOT ACCEPTED ON THE WAVE EXPRESS RT 14**

## **MAINTENANCE PLAN**

**SEPTEMBER 4, 2012**

## **Preventive Maintenance**

An effective Preventive Maintenance Program is the cornerstone of any Transit Safety Program. It ensures the integrity of the equipment placed in service by extending the life of the equipment and making it more reliable and safer. An effective program is more than just preventive maintenance inspections, but also includes daily inspections and the efforts of the entire staff.

## **Goals and Objectives**

The OCT Preventive Maintenance Program is designed to ensure all vehicles and equipment are maintained in a safe, reliable and functioning condition at all times. Our goal is to achieve a level of performance that exceeds standards with few service interruptions. Our objectives to accomplish these goals are to maintain an aggressive inspection program, ensure that all preventive maintenance inspections are completed on time, train all operators to quickly identify vehicle problems, and to promote the integrity and safety of the entire fleet.

## **Personal Roles in Preventive Maintenance**

**Management:** Management must be sure that all staff is properly trained in preventive maintenance. The manager must know all parts of the preventive maintenance program, supervise its implementation and evaluate its effectiveness through audits. Special attention must be given to keeping the preventive maintenance on schedule, having effective driver pre-trip inspections, and requiring the vehicle inspection reports to be processed daily.

**Driver Trainers:** Trainers must ensure that all drivers understand their role in preventive maintenance. Pre-trip inspections can detect and prevent potentially serious mechanical problems. Listening for and reporting any unusual noises can save engines, transmissions and brake components. Knowing the proper starting, shifting and braking procedures can extend the life of the equipment. Trainers must make sure that drivers understand and can perform their preventive maintenance roles well.

**Training & Compliance Manager:** The Training and Compliance Manager has responsibility for collecting, monitoring and storing all pre-trip inspections forms. Other responsibilities include making sure vehicles are delivered to the Fleet Operations facilities in a timely manner when maintenance is due or repairs needed. The Training and Compliance Manager will act as the liaison between OCT and Fleet Operations shops.

**Fleet Operations:** Fleet Operations serves as the maintenance and repair point for all OCT vehicles. Fleet Operations is responsible all repairs and for preventive maintenance. Fleet Operations will maintain records for preventive maintenance and all repairs done to OCT vehicles.

**Drivers:** Drivers play a primary role in the preventive maintenance program. Only the driver sees, hears, and feels the vehicle every day it is driven. Besides being vigilant and reporting observations, the driver has specific duties as follows:

1. **Pre-trip Inspection:** Using the Daily Vehicle Inspection Checklist, the driver should thoroughly check the vehicle prior to driving it. Regardless of the time of day, a driver must conduct a complete pre-trip inspection the first time they use a vehicle that day. Special attention should be given to the condition of safety equipment, tires and brakes.
2. **Road Call Report:** A road call report will be completed by the driver any time a vehicle breaks down on the road, or experiences any type of problem that may result in a service interruption.
3. **Post-trip Inspection:** A post-trip inspection should be completed at the completion of each driver's shift. All vehicles should be left with their switches and radios turned off, all trash removed, floors swept or vacuumed, and all windows and doors secured.

## **Scheduled Preventive Maintenance**

The Preventive Maintenance Program promotes saving by minimizing operational costs and downtime. The program promotes safety. The goal is to assure that the necessary number of vehicles is available, dependable and safe to complete the daily mission.

Preventive Maintenance will be scheduled as "A", "B", and "C" inspections. Inspection intervals will be at 6,000 miles or less with sixteen intervals making a cycle. In the cycle inspections one, two, three, five, six seven, nine, ten, eleven, thirteen, fourteen and fifteen are "A" inspections. Inspections four, eight, and twelve are "B" inspections. Inspection sixteen is a "C" inspection. All inspections follow the requirements indicated on the inspection forms.

Lifts on ADA equipped vehicles are checked during each preventative maintenance inspections according to the manufacturer's specifications. Instructions for normal and emergency operations of the lift or ramp will be carried or displayed in every accessible vehicle.

## **Repairs**

All repairs, both minor and major are managed by Okaloosa County Fleet Operations. A record of each repair is produced and stored by Fleet Focus equipment management program. Historical repairs are readily available to shop personnel and others needing the information. This includes records of parts, labor and miles. Repair work is performed by ASE Certified technicians.
